

## COMMUNITY CONSULTATION

The Board and Staff really appreciate the time taken to complete this survey. We do this consultation annually and it forms an important part of deciding the future direction our school heads in and what areas we need to change or focus on to meet the needs of our students.

We would appreciate your response by Friday 2nd September so that feedback can be followed up on at our next Board meeting on Tuesday 13<sup>th</sup> September. You can email your responses to [office@aria.school.nz](mailto:office@aria.school.nz) or these can be delivered to Aria School.

Thank-you very much for your feedback.  
Aria School Board and Staff

### Having feedback from all our community is very important to us.

#### 1. School Direction

We are very interested in your thoughts about the future direction of schooling, not only in the Aria District but in the greater Piopio area.

Do you consider combining with Piopio Primary is an option we could look into in the future, considering falling rolls?

YES

NO

UNSURE

At what point is it worth considering, if at all?

Do you think it could be a good idea to combine all 3 schools (Aria, Piopio Primary, Piopio College) into one Area School?

YES

NO

UNSURE

#### 2. Other – Is there anything else you would like to add? Questions or concerns? Wish lists?

# MEET THE BOARD

My husband Alan and I own a sheep beef and Angus stud Rotowai in Mokauiti. Our son Austin 6 currently at Aria, Charley 15 and Oskar 13 that have both done their primary schooling been through Aria and are now at college and Elliot 3 at playcentre. I have been on the board for around 7 years and currently hold the finance position. I am also on the playcentre committee and a farmer councillor for Beef and Lamb.

I believe our school offers our local children a fantastic start to their schooling, building their confidence and skills and producing fantastic well rounded learners that do well in the next stage of schooling as well as acting as a hub for our community. I have enjoyed my time on the board thus far, it gave me a fantastic introduction to governance and allowed me to give something back to our community which I believe is extremely important if we want vibrant flourishing communities in our rural areas.

I hope to see you all around at our school events and encourage you all to get involved in our fantastic school community.

Natasha Cave

Hi everyone, I am Nicole Hurley. I have two daughters - Bella who is in her first year at Piopio College and Mila who is in year 4 here at Aria. I am living just out of Piopio and I grew up in the Waitewhena Valley, attending Aria primary myself. This is currently my fourth year working in this incredible school and it has been an awesome journey. After school hours, I am a qualified nail and brow technician. I am studying Child counselling online as that is where my passion lies - helping young children. I feel it is so important to provide them with the tools and support heading into their teenage years and beyond. For fun, I enjoy playing netball and riding horses.

I joined the board as I was interested in how the school governance worked and felt it would be a great learning opportunity. Also having a say in what happens for our tamariki greatly appealed to me.

Nicole Hurley

Hi Aria School community for those who don't know me my name is Bevan Brown. Myself and my wife Wendy farm at Piopio. We have 4 kids all who have attended Aria School with our youngest Olivia in year 4.

Aria is a great little School and community and I highly encourage everyone to get involved where you can.

Being on the board is rewarding and gives us as parents an opportunity to shape the direction of our school and provides a greater insight into how the education sector works.

Look forward to seeing you around.

Bevan Brown

My husband Shaun and I lease a dairy farm in Ngatamahine, we have three children - two girls at Aria - Piper and Mia and our son Liam who finished last year.

In 2003 I trained as a vet nurse but decided to go dairying at the end of 2004. I completed my Dip Agribusiness Management in 2016 and am also a qualified AI technician. My passion lies with all things breeding and genetics related.

In my down time I love relaxing and socialising with friends and enjoying a laugh. Reading a good book is also up there.

The reason I started on the board originally was that I wanted to 'get involved' in our kids learning but I was also curious to see how governance and behind the scenes worked. It has been an eye opener and something I would defiantly encourage others to try.

Catherine Terry

I spent most of my school life in Piopio and after some travels returned to the family farm about eight years ago. I currently have a daughter in year 4 at Aria school and a 7 month old. At the start of this year I came to a few board meetings, before being co-opted on last term. My background is in science and I have been a member of the local St Johns for a number of years. I am looking to get more involved with the school and greater community and believe I can be of service to the board and the school in the coming year.
